

Conference highlights

Opening session - **Why WIN matters now**

Introduction to the project and its relevance for regional labour markets.

Keynote Session

Beyond good intentions: structural, policy and corporate perspectives on women's labour market participation

Insights from three perspectives:

- *Academia*
- *EU policy*
- *Corporate sector*

WIN Talk Show

Who really blocks women's labour market opportunities – and who can unlock them?

A moderated round table discussion exploring the role of institutions, employers and society.

WIN Results Lab - Interactive workshop session

Participate in thematic labs focusing on:

- Women's needs and institutional barriers
- Social innovation for better labour markets
- Capacity-building for women's participation
